Dear Educational Leader,

The Long Island Music Hall of Fame is excited to announce the opening of nominations for our 2009 Music Educator of Note Award, once again recognizing outstanding achievement in Long Island music education. Our first awardee, in 2007, was Herbert Deutsch, and our 2008 recipient was John McNeur. More information about both awardees can be found at www.limusichalloffame.org/educ.html.

This organization is dedicated to the idea that our musical heritage is an important resource to be celebrated and preserved by future generations. The Hall will be a place to inspire, entertain, educate and engage each person in the creative process. The Long Island Music Hall of Fame has inducted 53 artists of many genres including Billy Joel, Tony Bennett, Joan Jett, Cyndi Lauper, Run-DMC, Kenny Vance, Jean Richie, Louis Armstrong, and the Stray Cats.

Paramount to our organization's success will be our Educational Program. In the future, our planned museum and resource center in Port Jefferson will endeavor to satisfy the NY State Educational core curriculum and be open to Long Island schools to supplement and enhance their current music programs. A children's activity area will also exist within the museum featuring interactive stations that will allow children to explore the many facets of music and its creation.

Recognizing that education is the key to the development of musicians, we are interested in celebrating the work of those who allow young people to explore their talents. The recipient of the Music Educator of Note Award will be someone who has worked with children in public, private or regional programs. Following the initial nomination the committee will seek additional information incorporating the references of students, colleagues, parents and administrators.

We request your assistance in nominating an outstanding music educator from your district. All are eligible to vote, including educators, parents and students. Please feel free to copy and pass on the application or download copies at www.limusichalloffame.org. All nominations must be received by **July 31, 2009**. Successful nominees will receive a Certificate of Merit from the Long Island Music Hall of Fame. The winner will be honored at an event to be announced.

We look forward to hearing about your outstanding music educator.

Yours truly,

Tom Needham

3rd Vice Chairman, Long Island Music Hall of Fame
