

The Long Island Music Hall of Fame (LIMHOF) School Recognition Program is designed to identify Long Island High School music programs that are creating notable music experiences for their students and that are incorporating the National and NY State Standards for The Arts in creative and meaningful ways.

The Long Island Music Hall of Fame is a not-for-profit organization dedicated to recognizing the significant achievements of musicians who herald from Long Island, including Kings, Nassau, Queens and Suffolk counties.

Applications will be reviewed by a panel of music educators, some of whom have been recognized as LIMHOF "Educators of Note." High Schools will be given designations of Gold, Silver, Bronze or Emerging with a Gold (with Distinction) awarded in rare circumstances.

An event recognizing many of the schools will be held in the Fall of 2019.

Please complete this application by **May 13, 2019** in order to be considered for the 2019 Recognition Program.

If your school is selected as one of the top winners you will be required to provide one ensemble to perform at the finalist ceremony.
